A NEW LEAF

Shalom Tsemach Family,

As we embrace a new season, we are thrilled to announce a beginning that has taken roots within our congregation - focused on empowering our youth! We are committed to building them up in the faith and training them to be confident, compassionate young adults- **Ruach HaKodesh filled- loving Yeshua- Adonai unashamed!**

With her passionate heart for children, Adonai led sister Otilia Reyes to launch a parent-participation co-op club for boys and girls ages 10-17.

With still much to do and planning, parents welcome this with excitement. The children are the future generation. It is our responsibility as parents to "train them up in the ways of the Lord so when they grow up they will not depart from it" (Proverbs 22:6). Let's navigate this journey together and support our youth!

We anticipate great and mighty things to come in Yeshua's name!

CALLING ALL YOUTH

Our newly formed boys and girls club needs a name and a logo, and this is your chance to be creative! We invite you to be a part of this exciting journey. Please submit your club name and/or logo ideas to sister Otilia to be considered. This is your club! Make the most of it!

GUITAR LESSONS WITH RABBI

"Happy soul; begin and end your day with music," -Lailah Gifty Akita

Are you interested in learning to play the guitar or picking up a new skill? Rabbi Charlie is dedicating his time to teaching guitar lessons. You will often find him after Torah class teaching the students the basics of strumming and chords. Who knows, with dedication and practice, you might even be called to join the Praise Team!

"Call unto Me and I shall answer you, and show you great and mighty things you do not know" -Yirmeyahu 33:3
